UNIT 4 · CHAPTER 10

Change of Heart

Let us discuss

1 **State whether True or False: Prabhat would accept losing to anyone easily.**

✔ ANSWER

False. Prabhat could not bear losing, not even at marbles.

2 **What was special about the last Friday of each month?**

✔ ANSWER

On the last Friday of the month, the coach conducted friendly matches in the games period.

3 **Who was responsible for maintaining the score for the match?**

✔ ANSWER

Prabhat was given the responsibility of keeping score for the match.

4 **Do you think Prabhat wished to play another match with Surya? Why do you think so?**

✔ ANSWER

No, he probably did not. Surya was a better player, and Prabhat had won only by cheating. He was afraid he would lose a fair match.

💬 Let us discuss (Part II)

1 **How did Surya feel about playing?**

✔ ANSWER

Surya enjoyed playing whether he won or lost. He did not feel bad about losing, and his happy smile never left his face.

2 **What was it about Surya that Prabhat observed?**

✔ ANSWER

I.2(iii) **Surya's reaction to not winning was ____ (similar to / as serious as / different from) Prabhat's.**

✔ **ANSWER**

different from

II.1 **How did Prabhat's attitude towards winning and losing affect his enjoyment of games in the beginning?**

✔ **ANSWER**

Prabhat played only when he was sure of winning, and losing made him feel terrible. So he could not enjoy games for their own sake; he only enjoyed winning.

II.2 **Why do you think Prabhat cheated in the beginning to win the badminton match against Surya?**

✔ ANSWER

Surya was playing very well and winning points easily. Prabhat could not bear to lose, so he changed the scoreboard while Surya was looking elsewhere.

II.3 **How did Surya's attitude differ from Prabhat's?**

✔ ANSWER

Surya was relaxed, joked and enjoyed every game, whether he won or lost. Prabhat took games very seriously and cared only about winning.

II.4 **Do you think Prabhat's approach to games was healthy? Why or why not?**

✔ ANSWER

No. His fear of losing kept him away from many games and even made him cheat. Even after winning, he felt unhappy and could not sleep.

II.5 **Why do you think sporting spirit is important?**

✔ ANSWER

Sporting spirit means being fair and respecting every player. It helps us enjoy the game, accept defeat gracefully and make friends.

II.6 **Explain how the title of the story, 'Change of Heart', is suitable.**
