CHAPTER 7

Lifelines of National Economy

NCERT Exercise Solutions

Find out · Roadways	2 Q
Find out · Railways	3 Q
Think · Airways	1 Q
Activity · Tourism as a Trade	5 Q
Exercises	12 Q
Quiz Drive	5 Q
Activity · Word search	1 Q

✨ Try each question yourself first, then check the answer. 💡 answers are samples: write your own.

Independent study aid by Beginers Point. Not an official NCERT publication.

⭐ Find out · Roadways

? Look at the map of the National Highways and find out about the significant role played by these roads.

💡 SAMPLE ANSWER

- National Highways are the **primary road system** and link extreme parts of the country.
- Major National Highways run in **North-South and East-West** directions, e.g. the North-South corridor (Srinagar–Kanniyakumari) and East-West corridor (Silchar–Porbandar).
- They connect state capitals, big cities, ports and industrial centres, so goods and people move quickly.
- They help trade, tourism and defence, and join different regions into one national economy.

? Collect information of National Highway numbers (old and new) from the website morth.nic.in. The historical Sher-Shah Suri Marg between Delhi and Amritsar is known by which National Highway?

💡 SAMPLE ANSWER

The Sher-Shah Suri Marg (Delhi–Amritsar) was **National Highway No. 1 (NH-1)** in the old numbering.

In the new numbering, the Delhi–Jalandhar part is **NH-44** and the Jalandhar–Amritsar part is **NH-3** (check the latest list on the website).

⭐ Find out · Railways

? Find out the current Railway zones and their headquarters. Also locate the headquarters of Railway zones on the map of India.

💡 SAMPLE ANSWER

Zone	Headquarters
Central	Mumbai (CSMT)
Western	Mumbai (Churchgate)
Eastern	Kolkata
South Eastern	Kolkata (Garden Reach)
Metro Railway	Kolkata
Northern	New Delhi
North Central	Prayagraj
North Eastern	Gorakhpur
Northeast Frontier	Maligaon (Guwahati)
North Western	Jaipur
East Central	Hajipur
East Coast	Bhubaneswar
Southern	Chennai
South Central	Secunderabad
South Western	Hubballi
South East Central	Bilaspur

West Central	Jabalpur

A new **South Coast Railway** zone with headquarters at **Visakhapatnam** has also been created. Mark these cities on an outline map of India.

? **Think over it, how we can help our railway in running as per the scheduled time?**

💡 SAMPLE ANSWER

- Always travel with a valid ticket.
- Never pull the alarm chain without a real emergency.
- Do not stop trains or block tracks during protests.
- Do not damage or steal railway property; report such acts to the railway staff.
- Board and get off quickly and keep the train and station clean.

Activity **Railway line has been extended from Banihal to Baramula in the Kashmir Valley. Locate these two towns on the map of India.**

💡 SAMPLE ANSWER

- **Banihal**: in the Ramban district of Jammu and Kashmir, on the southern side of the Pir Panjal range (near the Jawahar/Banihal tunnel).

- **Baramula**: in north-western Kashmir Valley, on the river Jhelum, west of Srinagar.

Mark both in the UT of Jammu and Kashmir; the line passes through Srinagar.

🤔 Think · Airways

? Why is air travel preferred in the north-eastern states?

✔ ANSWER

- The north-east has **big rivers, dissected relief, dense forests** and frequent floods, so roads and railways are difficult to build.
- It has long **international frontiers**.
- Air transport can cross such difficult terrain easily and quickly, so it makes access easier.
- Pawanhans Helicopters also serve these inaccessible areas.

🧪 Activity · Tourism as a Trade

? On the map of India show important tourist places of your State/UT and its connectivity with other parts of the country by railways/roadways/airways.

💡 SAMPLE ANSWER

Sample (Delhi): mark **Red Fort, Qutub Minar, India Gate, Humayun's Tomb, Lotus Temple**.

- Railways: New Delhi, Old Delhi and Hazrat Nizamuddin stations.
- Roadways: NH-44 (to Srinagar/Kanniyakumari), NH-48 (to Mumbai/Chennai), Golden Quadrilateral.
- Airways: Indira Gandhi International Airport.

Do the same for your own State/UT.

Discuss 1 **What type of tourism may be developed in your state/UT and why?**

💡 **SAMPLE ANSWER**

Sample: In a state like Rajasthan, **heritage and cultural tourism** (forts, palaces, fairs) and **desert/adventure tourism** (camel safari) can be developed because it has many historical monuments, colourful culture and the Thar desert.

Answer for your own state (e.g. eco tourism in hilly/forest states, beach tourism in coastal states, pilgrimage tourism near holy places).

Discuss 2 **Which areas in your state/UT you find more attractive for development of tourism and why?**

💡 **SAMPLE ANSWER**

Sample: Areas with old monuments, natural beauty (hills, lakes, waterfalls, forests, beaches), religious places and local crafts are more attractive, because they draw visitors and can be reached by road, rail or air.

Name such places in your own state and give one reason for each.

Discuss 3 **How tourism may be helpful for the economic development of a region adopting sustainable development approach?**

💡 SAMPLE ANSWER

- Gives **jobs and income** to local people (guides, hotels, transport, shops).
- Supports **local handicrafts** and cultural pursuits.
- Brings **foreign exchange** and better roads, water and other facilities.
- With sustainable tourism (eco-friendly hotels, limits on visitors, no plastic, protecting forests and monuments), the region earns money without harming nature and heritage for future generations.

Project **Prepare a project on the heritage tourism in India.**

💡 SAMPLE ANSWER

Sample plan:

- **Introduction**: what heritage tourism is (visiting historical, cultural and religious places).
- **Major sites**: e.g. Taj Mahal, Red Fort, Qutub Minar, Hampi, Khajuraho, Konark Sun Temple, Ajanta–Ellora caves, forts of Rajasthan (with a map).
- **Government schemes**: Swadesh Darshan 2.0, PRASHAD, Paryatan Mitra.
- **Benefits**: jobs, foreign exchange, national integration, support to crafts, understanding of our culture.
- **Problems and solutions**: crowding, litter, damage to monuments; responsible tourism.
- **Conclusion** with pictures and sources.

📝 Exercises

1 (i) **Which two of the following extreme locations are connected by the east-west corridor?**

(a) Mumbai and Nagpur (b) Silchar and Porbandar (c) Mumbai and Kolkata (d) Nagpur and Siligudi

✔ ANSWER

(b) Silchar and Porbandar – the East-West corridor connects Silchar (Assam) and Porbandar (Gujarat).

1 (ii) **Which mode of transportation reduces trans-shipment losses and delays?**
(a) Railways (b) Roadways (c) Pipeline (d) Waterways

✔ ANSWER
(c) Pipeline – pipelines rule out trans-shipment losses or delays.

1 (iii) **Which one of the following states is not connected with the H.V.J. pipeline?**
(a) Madhya Pradesh (b) Maharashtra (c) Gujarat (d) Uttar Pradesh

✔ ANSWER
(b) Maharashtra – the Hazira–Vijaipur–Jagdishpur pipeline runs through Gujarat, Madhya Pradesh and Uttar Pradesh.

1 (iv) **Which one of the following ports is the deepest land-locked and well-protected port along the east coast?**
(a) Chennai (b) Paradwip (c) V.O. Chidambaranar (Tuticorin) (d) Vishakhapatnam

✔ ANSWER
(d) Vishakhapatnam – it is the deepest landlocked and well-protected port.

1 (v) **Which one of the following is the most important modes of transportation in India?**

(a) Pipeline (b) Railways (c) Roadways (d) Airways

✔ ANSWER

(b) Railways – railways are the principal mode of transport for freight and passengers and are more important than all other means put together.

1 (vi) **Which one of the following terms is used to describe trade between two or more countries?**

(a) Internal trade (b) International trade (c) External trade (d) Local trade

✔ ANSWER

(b) International trade – trade between two countries is called international trade.

2 (i) **State any three merits of roadways.**

✔ ANSWER

- Construction cost of roads is much lower than that of railway lines.
- Roads can cross dissected, undulating and mountainous areas like the Himalayas.
- Road transport gives **door-to-door service** and is economical for few persons and small amounts of goods over short distances.

- Roads act as a feeder to other modes (link railway stations, airports and seaports).

2 (ii) **Where and why is rail transport the most convenient means of transportation?**

✔ ANSWER

- Rail transport is most convenient in the **northern plains**.
- These plains have **vast level land**, high population density and rich agricultural resources, so laying tracks is easy and there is a lot of traffic.
- Railways are also best for carrying **heavy goods and passengers over long distances**.

2 (iii) **What is the significance of the border roads?**

✔ ANSWER

- Border roads are built and maintained by the **Border Roads Organisation** (set up in 1960) in border areas.
- They are of **strategic importance** in the northern and north-eastern border areas (defence).
- They have improved accessibility in areas of **difficult terrain** and helped the economic development of these areas.

2 (iv) **What is meant by trade? What is the difference between international and local trade?**

✔ ANSWER

- **Trade** is the exchange of goods among people, states and countries.
- **Local trade** is carried on within cities, towns and villages.
- **International trade** is trade between two or more countries; it takes place through sea, air or land routes.

3 (i) **Why are the means of transportation and communication called the lifelines of a nation and its economy?**

✔ ANSWER

Just as lifelines keep a body alive, transport and communication keep a nation and its economy running.

1. **Movement of goods**: goods do not move by themselves; transport carries raw materials to factories and products from supply places to markets.

2. **Movement of people**: railways, roads and airways help people travel for work, business, pilgrimage and tourism.

3. **Trade**: a dense and efficient transport network is needed for local, national and international trade; ports and airports link India with the world.

4. **Development of agriculture and industry**: railways and roads speed up the growth of industry and agriculture.

5. **Communication**: post, telephone, radio, TV, newspapers, films and internet spread information and awareness about national programmes and policies.

6. **National integration**: they bind the country together despite its vast size and diversity, and help in defence and disaster relief.

Thus, the pace of a country's development depends on efficient transport and communication.

3 (ii) **Write a note on the changing nature of the international trade in the last fifteen years.**

✔ ANSWER

International trade of a country is an index of its economic prosperity; India's trade has grown and changed a lot in recent years.

1. India now has trade relations with **all major trading blocks** and all geographical regions of the world.

2. **Exports** have become varied: gems and jewellery, chemicals and related products, agriculture and allied products, etc.

3. **Imports** include petroleum crude and products, gems and jewellery, chemicals, base metals, electronic items and machinery.

4. India has emerged as a **software giant**; it earns large foreign exchange from export of **information technology** services.

5. **Tourism** has grown remarkably and has become a trade, earning foreign exchange (heritage, medical, business tourism).

6. Most trade moves by **sea** (95% by volume, 68% by value) through 12 major ports, with growing air cargo.

Thus, India's trade has shifted from mainly raw materials towards services, IT and value-added goods.

⭐ Quiz Drive

1 **Northern terminal of the North-south corridor.**

✔ ANSWER

Srinagar

2 **The headquarter of the southern railway zone.**

✔ ANSWER

Chennai

3 **The rail gauge with a track width of 1.676 m.**

✔ ANSWER

Broad Gauge

4 **A Riverine Port.**

✔ ANSWER

Kolkata (Shyama Prasad Mookerjee Port)

5 **Busiest railway junction in Northern India.**

✔ ANSWER

Mughal Sarai (now Pt. Deen Dayal Upadhyaya Junction)

🧪 Activity · Word search

? **Start your search vertically, horizontally or diagonally and reach various destinations across the country! (word grid in the book)**

💡 SAMPLE ANSWER

Words hidden in the grid include:

- **SHER SHAH SURI MARG** (row 1, across)
- **SRINAGAR** (column 5, going down from row 1)
- **CHENNAI** (row 4, across; printed with an extra N)

- **MUMBAI** (diagonal, starting row 7, column 10)
- **BROAD GAUGE** (row 8, across)
- **MUGHAL SARAI** (row 10, across)
- **KOLKATA** (row 13, across)

These are also the Quiz Drive answers (check the grid in your book).
